

The background of the slide is a photograph of an art gallery. It features several sculptures: a winged cherub at the top, a bust of a woman's head to the left, and a larger bust of a woman's head in the foreground. Sunlight streams through a window, creating dramatic shadows and highlights on the white walls and sculptures.

The background of the slide is a photograph of a gallery wall. On the left, there are several white marble sculptures. At the top, a winged cherub (putto) is mounted. Below it, two smaller busts of children's heads are visible. In the foreground, a larger, more detailed sculpture of a woman's head and shoulders is shown, looking slightly to the left. The wall is light-colored, and there are shadows cast by the sculptures.
